Inspiration*

*"I came so that they may have life  
and have it more abundantly."*

**John 10:10**

The work of Jesuit Mission is inspired by the Gospel of Jesus Christ. We follow in the footsteps of Jesus by working to empower communities living on the margins to free themselves from poverty and injustice.

***"One Foot Raised"***

St Ignatius described the ideal leader as living with "One Foot Raised" ready to step forward and respond to human need and suffering in the world. At Jesuit Mission we follow in the footsteps of St Ignatius with a Vision for an inclusive and just world where humanity flourishes.
